Bookstore, near 9th street.

Washington Aqueduct.

OFFICE OF THE WASHISOFON ACCEPCET, Wachington, March 5, 1857 DROPOSALS are invited for materials and work

for the Washington aquiedurt.

Proposals received up to 7th May will be opened at noon of that let will be ready for examination at the work of some of the bridge April next.

The work to be let will embrace massenry of some of the bridge graduation, excavation, and embankment of reservoirs, fron pipes con nected with the reservoirs, 12 meh iron main, gate houses, bricks, sau-rubble, and out stone, &c.

For the particular works and materials reference is made to the

ruible, and out stone, &c.

For the particular works and materials reference is missio to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation so holding out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be scaled, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, it his or their hid be accepted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district attorney, navy agent, or some officer of the guarantee.

Bids will be opened in pressure of bidders, if any of them choose to be the contraction of the parameter of war, that the guarantee.

CHARLES S. D. JONES, ATTORNEY AT LAW. Dubuque, Iona

WE PUBLISH TO-DAY Parton's Life of Aaron Barr.—Life and Times of Aaron Barr, by J. Parton, I vol. 700 pages crown octavo, illustrated by engravings on steel and wood Price 24 75.

700 pages crown octavo, illustrated by engravings on steel and wood.
Price \$1.75.
Parton's Life of Burr is in every respect an original and peculiar work, of aborthing interest, and possessing peculiar claims to the attention of Americans.

The author claims that in this volume the story of Aaron Burr's strange, eventful life is told for the first time, and is derived in great part from the personal reminiscences of his surviving friends, connex. The peculiar, romantic, and eventful life of Aaron Burr has afforded material for one of the most interesting and fascingting biographics ever written. While incidental to the subject, the rise afict progress of the great democratic party of the United States is fully recorded.

The volume is printed on superfue paper, and illustrated with steel pertraits of Burr and his daughter Theodocia, and several wood engravings.

Cousin William, by Theodore Hook, one volume, 12mo, price \$1.
Gervase Skinner, by Theodore Hook, one volume, 12mo, price \$1.
Being volumes 4 and 5 of 'Mason's Library of Standard Tales,'
Harriet and Sophia Lee's Canterbury Tales, price \$2.75, forming the
first three volumes.

MANUFACTURING COMPANY'S IMPROVED SEWING MACHINES,

Phendies, Manufacturers, and Ohers.

PHESE machines combine all the improvements that have been invented. Their extensive and increasing sale, and the unsammous approval and commendation that they have recived, warrant the properietors in warmly recommending them. They are been in use sufficiently long to test them thoroughly, and have well entire satisfaction.

Among the undoubted advantages that they possess over all others, re-

are:

1st. Beauty and simplicity of construction, and consequent freedom from derangement and need of repairs.

2st. Uncampled case and rapidity of operation.

3d. Noiseless movement.

4th. The removement.

4th. The removement of their stitching, and their applicability to a variety of purposes and materials.
